

EXPRESSION OF INTEREST FOR PURCHASE OF CRUDE OIL

Pan India Consultants Pvt Ltd. (PICPL) is the Operator of the CB-ONN-2010/5. Block CB-ONN-2010/5 lies in the Ahmedabad-Mehsana Tectonic block of the Cambay Basin. It covers an area of **25.51 sq. km.** FDP of a discovery in Block was approved and the ML application was submitted to the GOG. The block falls in the northern part of the Ahmedabad-Mehsana tectonic block, having a number of oil and gas fields, of which the prominent ones are Kalol, Jotana, Sobhasan, Becharaji, and Balol. Lanwa and south Patan fields are located to the southeast and northwest respectively of the block. The Block lies in Becharaji Taluka of Mehsana and Chanasma Taluka of Patan Districts of Gujarat State. The entire operational area lies in Chanasma Taluka, Patan District, and currently, wells are operated in **Sunsar and Mitha Dharva villages.**

PICPL is currently producing Test Oil from the block with an API gravity of around 15 degrees. Current daily production is approximately thirty to forty barrels. PICPL plans to sell the commingled crude from the field on a reasonable endeavour basis. The delivery point will be Well # 03 located in Sunsar Village around ~23 km from Mehsana. The buyer will be responsible for the arrangements required to evacuate the commingled crude from the Delivery Point to their facility through Tankers.

PICPL is seeking an "Expression of Interest" from Parties that require Crude Oil on a "reasonable endeavours" basis. The tender package will be issued to the shortlisted companies, which will include all relevant data recommended by Govt of India guidelines. Interested Parties are requested to send in their Expression of Interest, including the following documents by **20 Jan 2024** of publication of this advertisement to the address given below:

- 1) Capability Statement - to include specific reference to relevant recent experience.
- 2) Location and details of the Processing / refining facilities.
- 3) Brief synopsis of the Company along with copies of mandatory approvals, HSE policy and procedures
- 4) Short note on further usage of purchased crude oil.
- 5) Audited Financial details of the Company for last 3 years.
